

Position Summary

Smartway Trailers is currently seeking experienced 310T mechanics for our truck and trailer repair business.

This is a full-time, Monday to Friday day shift with plenty of overtime hours available.

About Us:

We have been in the trailer rental and repair business since 1994, and have been a trusted provider of industrial storage, transport trailer rentals, truck service, trailer service and local deliveries throughout the Greater Toronto Area. Smartway Trailers has a rental fleet of over 2000 trailers, with two repair facilities.

We require:

Candidates must have had 3 years experience in the industry performing preventative maintenance and repairs to all types of semi trailers.

- 310T Truck and Coach Technician Certification or Apprenticeship (all years).
- Fluent in English
- Responsible to supply own tools
- Valid class "G" driver's license for the Province of Ontario.

We are also looking for Licensed Mobile Technicians with their own fully-equipped service truck

Compensation:

Smartway is an equal opportunity employer that provides above average pay along with a tool and annual boot allowance, benefit package and signing bonus!

We pride ourselves on our excellent company culture with a very clean, safe and fun working environment.

Smartway welcomes applications from all qualified candidates.

We look forward to hearing from you!!!
